

YOUR TIAA-CREF ENROLLMENT FORM

FIRST:

Make your contribution allocations

We have included information about the accounts or funds that you should refer to when you complete the “Plan Contribution Allocation Administrative Form.” The transfer and withdrawal restrictions of the accounts and funds differ and should be taken into consideration. You may change your allocation at any time.

Using whole numbers, choose the percentage you want to allocate to each account or fund. The three-digit account and fund numbers and descriptions are provided with your enrollment form. Write the account or fund number and percentage allocated to each in the

appropriate columns. If you are allocating to more than 10 accounts or funds, use a separate page and include your name and Social Security number on it. If your allocation is invalid in any way, your contributions will be automatically invested for you. Upon receiving clarification from you, we will apply all future contributions according to your instructions.

If you need help choosing an allocation, speak to a TIAA-CREF consultant at **800 TIAA-CREF (800 842-2273)** Monday to Friday from 8 a.m. to 10 p.m. (ET) and Saturday from 9 a.m. to 6 p.m. (ET).

THEN:

1 Provide your personal information

Be sure to provide all the information requested. If you do not have a Social Security number, please provide your taxpayer identification number.

Important information about procedures for opening a new account

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions, including us, to obtain, verify and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, Social Security number and other information that will allow us to identify you, such as your home telephone number. Until you provide the information we need, we may not be able to open an account or effect any transactions for you.

2 Designate your beneficiary(ies)

Your primary beneficiary(ies) will be paid any survivor benefit existing under the contract at your death. If there are no surviving primary beneficiaries, your contingent beneficiary(ies) will receive these benefits. If you are married, provisions under your employer's plan may require you to name your spouse as primary beneficiary for at least a portion of the benefit. Complete the “Waiver of Spouse's Right to Preretirement Death Benefits” if you have designated someone other than your spouse as primary beneficiary. You can call a consultant at **800 TIAA-CREF (800 842-2273)** for further information about choosing your beneficiaries.

3 Indicate any existing contracts

We are complying with a regulatory requirement in asking that you provide information on existing contracts.

4 Indicate your agreement by signing

▶ Obtain your spouse's signature (if applicable)

Under your employer's plan, your spouse has the right to a death benefit. If the plan is subject to the Employee Retirement Income Security Act (ERISA), your spouse is entitled to at least 50% of the death benefit specified by the plan. If the plan is not subject to ERISA, your spouse is entitled to the percentage stipulated by the plan. Your spouse must consent to any beneficiary designation that doesn't meet these requirements by signing the waiver at the end of your form in the presence of a Notary or Plan Representative. Generally, you can waive these rights only if you are at least age 35. If you are younger than 35 and want to name someone other than your spouse, please contact your benefits office for more information.

▶ Return your enrollment form

Return your enrollment form to your employer's benefits office. You may need to complete a salary reduction agreement with your employer.

PLAN CONTRIBUTION ALLOCATION ADMINISTRATIVE FORM

Make Your Contribution Allocations

If you need help creating an allocation, you can use our **Asset Allocation Calculator** at www.tiaa-cref.org/calcs. You can also have a custom portfolio prepared for you by calling us at **800 TIAA-CREF (800 842-2273)**. Either way, you'll answer a series of questions and a sample portfolio will be suggested based on your risk tolerance and investment preferences.

Enter the name and three-digit number of your allocation choices in the spaces provided. Please use whole numbers only and make sure your total allocation equals 100%. If the account number and name don't match, we will use the account number for your allocation choice.

4 Indicate your agreement by signing

Your employer's plan may offer mutual funds as an investment choice in addition to the TIAA and CREF annuities.

The TIAA and CREF annuity contracts and amounts in any of the mutual funds do not provide for loans and cannot be assigned. Under federal law, distributions before age 59½ or before termination of employment may be prohibited, limited and/or subject to substantial tax penalties. Your ability to make withdrawals and transfers from the TIAA and CREF annuity contracts is subject to the terms of these contracts and may be limited. The TIAA annuity contract does not allow lump-sum cash withdrawals from the TIAA Traditional Annuity and transfers must be spread over a ten-year period. Transfers among the TIAA Real Estate Account, all CREF accounts and any of the mutual funds may be made in a lump sum.

The accumulations in and benefit payments from the CREF accounts, the TIAA Real Estate Account, and the mutual funds are *variable* and *not guaranteed*; they depend on the investment performance of these accounts.

Your beneficiary designation will apply to your TIAA and CREF annuity contracts and to the mutual fund accounts. Under your employer's plan, your spouse has the right to a death benefit. If the plan is subject to ERISA, your spouse is entitled to at least 50% of the death benefit specified by the plan. If the plan is not subject to ERISA, your spouse is entitled to the percentage stipulated by the plan. Your spouse must consent to any beneficiary designation that doesn't meet this requirement by completing the "Waiver of Spouse's Right to Pre-retirement Death Benefits."

I have read and acknowledge all provisions of this enrollment form.

Under penalties of perjury, you certify that the taxpayer identification number shown on this form is your correct Social Security number.

The Internal Revenue Service does not require your consent to any provision of this document.

The following information does not apply to New York applicants. Some states require a fraud warning to appear on the form. These states, including Arkansas, Kentucky, Maine and New Mexico require a warning substantially similar to the following:

People who file applications for insurance or statements of claim commit a fraudulent insurance act if they: knowingly do so with intent to injure, defraud or deceive any insurance company or another person; and/or knowingly include in their application or statement of claim any materially false or misleading information; and/or knowingly conceal information, for the purpose of misleading, concerning any fact material to the application or claim.

A fraudulent insurance act is a crime, and penalties may include imprisonment, fines, denial of insurance and civil damages.

New Jersey residents, please note: Any person who includes any false or misleading information on an application for an insurance policy is subject to criminal and civil penalties.

Ohio residents, please note: Any person who, with intent to defraud or knowing that he is facilitating a fraud against an insurer, submits an application or files a claim containing a false or deceptive statement is guilty of insurance fraud.

District of Columbia residents, please note: It is a crime to provide false or misleading information to an insurer for the purpose of defrauding the insurer or any other person. Penalties include imprisonment and/or fines. In addition, an insurer may deny insurance benefits if false information materially related to a claim was provided by the applicant.

OBTAIN YOUR SPOUSE'S SIGNATURE

Waiver of spouse's right to preretirement death benefits

If you have waived your spouse's right to a preretirement survivor death benefit under your employer's plan and/or ERISA, your spouse must consent to the waiver. Generally, waiving spousal rights is available if you are age 35 or older.

The date of your spouse's signature must be the same or later than the date you signed your enrollment form.

Consent by Spouse (Must Be Witnessed)

With this consent I am voluntarily and irrevocably giving up my right to a qualified preretirement survivor death benefit. I recognize that any preretirement death benefit payable under these contracts will be paid to the beneficiaries as described in the enrollment form.

IMPORTANT NOTICE REQUIRED BY THE COMMISSIONER OF INSURANCE
READ CAREFULLY BEFORE PROCEEDING

This notice is required by the Commissioner of Insurance because you have indicated that you are buying a new life insurance policy or annuity and discontinuing or changing an existing one. Such a decision could be a good one, or a mistake. You will not know for sure until you make a careful comparison of your existing policy and the proposed replacement policy. Premiums alone are not determinative of low cost. Take the time to obtain and understand the facts.

We are required by law to notify your existing company that you may be replacing their policy.

Consider both sides before you decide. This way you can be sure you are making a decision that is in your best interest.

Cash Value Insurance: To make a comparison of cash value policies (policies with loan or surrender values in addition to death protection), consideration must be given to each policy's cash values, premiums, coverage amounts and dividends, if any, over the life of the policy.

To simplify this task, you may wish to request from your existing insurance company and the company issuing the replacement policy yield index figures for five, ten and 20 years. The yield index is a percentage that represents an estimate of the interest rate the insurer projects you will earn on the savings portion of the cash value policy. The policy with the higher yield index will generally be the better buy.

The Yield Index Committee of the National Association of Insurance Commissioners in 1986 devised a method for calculating a yield index. In order to request this yield index information, merely check the box below and your request will be forwarded to both insurance companies.

You can also compare the cash values and/or surrender values listed in the replacing company's policy summary for the first five policy years with those in your current policy for the next five years. Low cash values or surrender values in early policy years are often the result of high expenses associated with issuing a new policy. If the replacement policy has low values in its early years, it will usually take longer for it to provide you with benefits that equal or exceed the benefits of your existing policy. In some cases, the replacement policy may never provide benefits equal to those in your present policy.

Term Insurance: If you are replacing your present insurance policy with term insurance (policies that provide death protection only), it makes sense to shop for a low cost policy. Costs for term insurance vary widely and substantial savings may be realized by comparison shopping. Premiums alone are not always determinative of low cost since some policies pay dividends and others do not. You may wish to request interest-adjusted cost indices for five, ten and 20 years from several insurance companies including your existing insurer to help you compare term insurance premiums. The policy with the lower index numbers is usually the better buy.
