What Can You Do Via BUSS?

If you are a regular Brandeis staff or faculty member, you have access to Brandeis University Self-Service (BUSS). BUSS allows you to access and/or update your personal information at any time online in a confidential manner. You no longer need to complete forms to make these changes. Here are some things you can access with BUSS:

Emergency Contacts

Add and/or change your emergency contact information.

Phone Numbers

Add or update your home and cell-phone numbers.

Personal Information Summary

Access and review your personal information on record at the University

Home and Mailing Address

Change your home and/or mailing address.

On Campus

To log on to BUSS open an Internet browser, enter <http://buss.brandeis.edu> into the address bar and enter your UNet ID and password. Click "Sign In" and you are ready to go!

Payroll and Compensation/ View Paychecks

Review your pay and compensation history.

Applying for Internal Positions at Brandeis

Send your resume via BUSS to Human Resources for review.

Direct Deposit

Change, add or delete direct deposit information.

Name Changes

Submit a request for a name change. Name changes are reviewed, approved and finalized by the payroll office.

Community Crisis Management

Add/and or change your contact information for University emergencies.

W-4 Federal Tax Information

Review and update your federal tax withholding information.

Off Campus

To access BUSS from off campus, point your browser to <http://wormhole.brandeis.edu>, log in with your UNet username and password and click on the BUSS link at the top under Web Bookmarks.
